

LAGOON SEAFOOD

PRODUCT GUIDE

2024

CANADA - EN

fresh from the sea

WHO ARE WE?

Lagoon Seafood is a family business specialized in importing, exporting, processing and distributing fresh and frozen fish. Founded in 1992, the company has since established itself as a Canadian leader in the seafood industry.

OUR BRANDS

Blue Tide - One of Lagoon Seafood's iconic and historic brands, Blue Tide is available through retail stores, supermarkets and the food service/catering industry.

Royal Harbour - A brand of traditional products exclusively sold in retail stores and supermarkets.

PROCUREMENT

Our team of buyers is specialized in the procurement of a large variety of exotic products from around the world.

These products are procured directly from fishermen and fish farmers, without any intermediaries, giving Lagoon Seafood better control over the origin and quality of its products.

32+ Countries

80+ Species

FROZEN PRODUCTS

Our frozen seafood products include items that are Individually Quick Frozen (IQF) to maintain freshness, texture and nutritional value. This technique ensures quality, safety and flavour, resulting in products that meet the highest standards. By adhering to strict industry and health regulations, frozen seafood provides convenience without compromising essential nutrients.

VALUE-ADDED PRODUCTS

A value-added seafood product is a product that has been processed or prepared in a manner such as filleting, marinating, or cooking to enhance its market appeal and convenience for consumers. This makes it more flavourful, easier to prepare, and often extends its shelf life.

FRESH PRODUCTS

Fresh seafood products are harvested and quickly distributed without freezing. This retains the seafood's natural flavours, textures, and nutritional value. Fresh seafood (including fish, shellfish, and crustaceans) is sourced from oceans and freshwater environments, stored at optimal temperatures and free from any contamination, in accordance with strict freshness and safety standards.
